A CANTON ARGONAUT.

Jacob Made Doubts Story of Cape Nome Richness.

FABULOUS TALES REACH SEATTLE.

Four Men Reported to Have Taken Out \$96,000 Shoveling Eight Days—Six Miners Died—Two of Them Frozen to Death—Severe Cases of Scoury.

SEATTLE, Wash., July 15.—The steamship Alliance arrived from St. Michaels, Alaska. She brought advices from the newly discovered gold fields of Cape Nome.

Nearly all available ground has been staked.

Paris from \$2 to \$4 are common. Only one clean up has been made thus far.

Four men shoveling eight days took out \$96,000. The gold is different from that of the Yukon in that it is quite black, due to iron. It runs about \$18 to the ounce. On a claim adjoining Price and Lane, Dr. Kittelson took \$1 to the pan.

There was a great rush of men from St. Michaels into the district. Town lots were selling as high as \$1,000.

The Alliance brought news of the deaths of miners near Cape Nome. Following were the names of six:

1. Foundry, Maynard, Gro-tene, Carr, Dr. Brigham, Jack Burke. All of the above named save Burke were from Holyoke, Mass., and were members of the Rock party. Dr. Brigham died from natural causes. Carr and Burke froze to death.

One of a party of 100 miners at Cape Nome, 18 severe cases of scurvy developed during the winter. The stricken men were mostly loaded on sleds and hauled over the ice to St. Michaels to receive medical treatment.

Jacob Madsen, of Canton, O., who was a passenger on the Alliance, thinks that the predictions of the richness of the Cape Nome diggings is not to be realized. He said: "On several of the claims I saw gold taken out, but in very small quantities. In no instance that I know of had bed rock been reached. It never will be reached until they can get wood there. The only wood in the district is driftwood, which is almost as precious as gold."

Among the passengers of the Alliance was a party of ten from Lowell, Mass., who went to Koryuk district last year. "My candid advice is for people to stay away from Koryuk. The outfit is not encouraging."

They took up a party of 16 and left six of their work would pay out. We do not come back disgusted and sore with the country, but believe that there is not a sufficient quantity of gold there to warrant a rush into the country."

TORE DOWN THE GERMAN FLAG.

German Consul Reported Action of U. S. Soldiers in Honolulu.

HONOLULU, July 7, via Victoria, B. C., July 15.—On the Fourth of July Carl Klemme, the proprietor of the Orpheum hotel, had decorated his building in American colors, hoisted the American flag over it and under the American flag over it, he had a friend wanted to use an American flag and he had his friend, leaving the German flag floating. J. M. West ordered Klemme to haul it down. There had been ill will between the two men for some time. West's friend gathered a lot of soldiers from the transport Sheridan.

The soldiers tore down the German flag and destroyed it and put into its place a white and blue banner torn from the other decorations of the building. West was fined \$100 in the police court for malicious mischief and he was ordered to pay the cost of the matter to his government.

OREGON VOLUNTEERS LANDED.

They and California Signal Corps Given a Great Welcome.

SAN FRANCISCO, July 15.—A noisy and enthusiastic welcome greeted the Oregon volunteers and the California signal corps when they landed preparatory to going into camp at the Presidio, and the final mustering out. A brilliant procession, in which were Major John, General Shafter's wife, Governor Oregon and his staff, escorted the returned soldiers to camp.

All along the line of march the men were cheered to the echo and hands hired by individuals played lively music. As the soldiers passed the Palace hotel they were deluged with flowers thrown from the windows by the crowd.

The men will be kept at the Presidio for two or three weeks before their muster out.

PREVENTED A MASSACRE.

A Letter Captured Put General Otis on His Guard.

SAN FRANCISCO, July 15.—According to the officers of the Second Oregon regiment, at the outbreak of hostilities, a letter came from inside our lines to Manila to an emissary of Aguinaldo was captured.

The letter was taken to General Otis who found in it the plans of a plot to open the gates of Manila, sack the city, murder the guards and allow the insurgent army to pour into the American camp and surprise the men. The United States troops were under arms all night to meet the expected attack, but the enemy had learned of the capture of the letter and the only part of the plot that was carried out was the burning of a portion of the city of Manila.

AFTER THE OLD HOME.

President Negotiating For His Former Cottage.

HE BEGAN MARRIED LIFE THERE.

Also Resided In the House During the Campaign of 1896—People of Canton Are Happy That He Will Remain a Citizen of That City.

CANTON, July 15.—Austin Lynch, Judge Day's law partner, is authority for the statement that President McKinley is negotiating for the purchase of the cottage where he began married life 20 years ago and where he resided during the campaign of 1896. The people of Canton are rejoiced at this evidence that he will make this city his residence, it having been feared that the death of his mother and the severing of other home ties might induce the president to locate elsewhere.

WANTED TO BURN THE NEGRO.

Hurried From Geneva to Avoid a Lynching Party.

ASHTABULA, July 15.—A negro giving his name as Albert Braxton was being rushed across the country a distance of some 15 miles to the county jail to avoid a lynching party composed of negroes who were reported to have planned to burn him.

The little town of Geneva was all excited over the alleged assault of the 6-year-old daughter of John Gordon, a negro, with whom Braxton boarded. The little girl was in a serious condition, but
